Pastoral Institute Extended Program

Spirituality and Prayer

Everyone has a Spirituality. There are many different Spiritualities. This class will explore what spirituality is, the struggles we have within our spirituality, what our Christian spirituality incorporates and how we struggle with the ecclesiastical dimension of it. We will also examine how all our actions must originate in a prayerful life and that prayer is about a relationship with God. We will become familiar with the various ways we can communicate with God and practice or experience some of them.
