To All the Faithful in the Diocese of Victoria,

Fr. David Berger, who has most recently been on a leave of absence, informed me of his intention to leave active ministry. We are grateful for his service to the Church and the Diocese of Victoria in particular. Mindful of his right to privacy, and the opportunity for continued prayer and reflection, we pray God's blessings upon him. Let's keep our brother, and one another, in prayer with confidence in Jesus our Savior and Healer.
